THE illustration shows but one of the many attractive styles to be had in "Dorothy Dodd" footwear. There is no foot that cannot be fitted with these pretty shoes; no taste that cannot be pleased; no footwear want that cannot be supplied. And a well fitted "Dorothy Dodd" Shoe will lessen by fifty per cent, the fatigue from a long day of shopping or work of any kind that involves walking. It will make almost as much difference where long hours must be spent standing. Isn't this worth something to you? The Autumn styles are now here in profusion.
